ANSWERED ON:09.05.2016
Industries using Labour Intensive Technology
Devi Smt. Veena

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether the Government has selected industries which manufacture their product by using labour intensive technology in order to increase the export from the country;

(b) if so, the details thereof; and

(c) the names of such industries?

Answer

???????? ??? ?????? ????????????? (????????? ??????)(??????? ??????? ???????)
THE MINISTER OF STATE (INDEPENDENT CHARGE)
OF THE MINISTRY OF COMMERCE & INDUSTRY
(SHRIMATI NIRMALA SITHARAMAN)

(a) to (c): The Government notified the National Manufacturing Policy on 4th November, 2011 which identified employment intensive industries like textiles and garments; leather and footwear; gems and jewellery, food processing, machine tools, heavy electrical equipments, heavy transport, earth moving and mining equipments etc. as special focus sectors where India can be cost competitive and which would generate maximum employment. The policy aims at creating 100 million additional jobs by 2022 and provides for interventions to make rural youth employable by imparting the necessary skillsets.
